

STEVE KHANH

DIGITAL PERFORMANCE MARKETING & GROWTH LEAD

Ho Chi Minh City, Vietnam | +84 901 963 689 | stevekhanh2404@gmail.com | [linkedin.com/in/khanhhoangsteven](https://www.linkedin.com/in/khanhhoangsteven)

PROFESSIONAL SUMMARY

Digital Performance Marketing and Growth Lead with 3+ years of full-time experience and additional project-based leadership across FMCG, jewelry retail, e-commerce and live commerce. Plans and optimizes multi-channel acquisition across Meta Ads, Google Ads, TikTok Ads, TikTok Code Ads, YouTube Ads, Zalo Ads and Adtima display, including B2B audience development for dealers, distributors, HoReCa and minimarts. Directly manages more than VND 5 billion (approximately USD 190K) in annual paid media and contributes to approximately VND 40 billion (approximately USD 1.52M) in planned 2026 company-wide marketing investment. Uses AI as an operational accelerator for research, planning, creative development, campaign diagnostics and reporting while retaining human ownership of strategy, validation and final decisions.

PROFESSIONAL EXPERIENCE

Digital Performance Marketing & E-commerce Sales Lead Jul 2023 - Present
International Food Master | FMCG Manufacturing & Export | Full-time

- Lead Digital Marketing and online sales/e-commerce execution, reporting to the Head of Marketing and Marketing Director while coordinating with Sales, Branding, Finance, Operations and R&D.
- Plan and optimize a multi-channel paid-media mix across Meta Ads, Google Ads, TikTok Ads, TikTok Code Ads, YouTube Ads, Zalo Ads and Adtima display; build B2B audience approaches for dealers, distributors, HoReCa and minimarts alongside consumer acquisition.
- Built and governed annual digital investment plans of VND 3.3 billion (approximately USD 125K) for 2024 and VND 4.5 billion (approximately USD 171K) for 2025, scaling direct paid-media responsibility beyond VND 5 billion annually and contributing to approximately VND 40 billion in planned 2026 company-wide marketing investment.
- Maintained approximately 105% average monthly media KPI delivery through channel allocation, budget pacing, campaign restructuring, audience refinement and continuous creative/product testing.
- Designed and operationalized a VND 362.5 million (approximately USD 13.8K) TikTok Code Ads plan for KOL/KOC amplification within International Food Master; use AI to accelerate research, planning, creative ideation, diagnostics and reporting while validating outputs against source data and business context.

Remote Multi-Channel Performance Marketing Team Lead - Selected Branch Project Jun 2025 - Present
PNJ - Phu Nhuan Jewelry Joint Stock Company | Jewelry Retail | Project-based remote engagement

- Lead a remote execution team and report campaign performance, budget movement and optimization recommendations to the central Digital Manager at head office.
- Manage coordinated advertising across Meta, Google, YouTube and TikTok for selected PNJ branches, covering audiences, creatives, campaign settings, delivery timelines and online-to-offline customer acquisition.
- Scaled monthly media investment toward VND 400 million while maintaining acquisition efficiency through structured testing, audience control and creative refresh cycles.
- Increased new-customer inquiries from approximately 40 to 120-170 per comparable VND 2 million spend, doubled inquiry-to-purchase conversion from 20% to about 40%, and reduced estimated cost per converted customer by 83-88%.
- Coordinate branch requirements, customer-response quality, sales follow-up and in-store journeys while keeping project data and account access separated from other client engagements.

Independent Performance Marketing Consultant
Selected Jewelry & Live-Commerce Engagements | Remote | Flexible, deliverable-based scope
An Duy Jewelry - Silver Jewelry Retail Venture
Primary independent marketer

Oct 2025 - Present

Selected engagement

- Own end-to-end Meta Ads planning, setup, optimization and strategic recommendations, reporting directly to store management and company ownership.
- Generated approximately VND 240-260 million in monthly ad-attributed revenue from VND 57-65 million in monthly media spend, equivalent to approximately 3.7-4.6x ROAS.
- Worked with the accounting support team to reconcile daily advertising activity against sales records and validate monthly advertising-attributed revenue.
- Continuously test campaign formats, audiences, products and creative angles; combine platform data, structured analysis and AI-assisted diagnostics to recommend the strongest next action.

Asana Pearl Jewelry - Live-Commerce Project
Primary independent marketer

Selected engagement

- Independently manage Facebook Live advertising strategy, campaign setup, daily optimization and performance reporting for a wholesale-and-retail pearl jewelry business.
- Manage approximately VND 75-80 million in monthly ad spend, supporting VND 380-410 million in total monthly revenue; approximately 80% is attributed to paid live-stream acquisition.
- Estimated paid-attributed revenue is approximately VND 304-328 million per month, representing an estimated 3.8-4.4x revenue-to-ad-spend ratio.
- Use live engagement, product response, closing quality and repeat-customer behavior to refine show formats, media pacing and product priorities.

TOOLS & ANALYTICS

Multi-channel paid media	Meta Ads, Google Ads, TikTok Ads, TikTok Code Ads, YouTube Ads, Zalo Ads and Adtima display; campaign architecture, audience strategy, creative testing, cost control and performance optimization
B2B & trade audience growth	Paid-media approaches for dealers, distributors, HoReCa, minimarts and retail partners, alongside consumer acquisition and e-commerce growth
Marketing operations	Microsoft Excel, Google Sheets, PivotTables, XLOOKUP, SUMIFS, marketing calendars, expense tracking, actual vs. plan, pacing, forecasting and stakeholder reporting
AI-enabled operations	Generative AI and platform AI used for research, planning, creative ideation, campaign diagnostics, report structuring and workflow improvement; outputs are validated against source data and human commercial judgment
Analytics development	Funnel analysis, revenue attribution and campaign-sales reconciliation used in live work; Looker Studio and Power BI foundational working knowledge; SQL/PostgreSQL currently developing through structured practice
